The Norm Dean Membership Growth Award

In the 2012-2013 Lions year it was suggested to the Council of Governors to create a multiple district award for yearly district membership growth. The decision was made that the growth be based on the new increase from the year before. Since the start of this award, membership growth has been achieved five times. One year two districts qualified but District 9 SW was given the award due to the largest growth. The award is presented to the District Governor, for the year of winning the award, on behalf of the district.

The award is named for Past International Director Norm Dean for his strong desire and commitment for membership growth. During his District Governor year, there were 3 new Lions clubs chartered and 3 new Lioness clubs started. After his term as District Governor, he became District Extension Chairperson and, in that capacity, he received 6 Extension Awards for starting 6 new clubs. He established a branch Lions Club which later merged with the Davenport Host Lions to become the Davenport Village Lions Club. PID Norm has also sponsored 53 members and has received the Grand Master Key and Medallion Award.

Past winners of the Norm Dean Membership Growth Award are as follows:

FY 2012-2013, District SW, District Governor Diana Benzing

District 9MC

PCC Wm. R.(Bill) Pollard has lived a life of service since his youth when the Boy Scouts were his vehicle of service. After High School, he enlisted in the United States Marine Corps. He joined the Jaycees as a young man in Indianola Iowa, transferring to the Prairie City Jaycees in 1977. He married Diane in 1977 and together, they raised two sons. Lion Bill joined the Prairie City Lions in 1978, and was elected Club President in 1981-1982. He was also Tail Twister for a number of years. He transferred to Altoona, Iowa, in 1989. In 2005, he started helping the ISSA Trust, an international

nonprofit that works with Pediatric Medical missions in Jamaica. Around 2112, the Trust was able to add a vision part to the Mission. Before Covid, over 15,000 children received medical and vision care at NO charge to them. Lion Bill has been active in many leadership roles in Multiple District 9 MC. He was elected Club President twice in the Altoona Club. Shortly after the second time as President, he was appointed Zone Chair. Before the end of that year, he was elected 2nd Vice-District Governor. He served as District Governor for the 2014-2015 Lion year. After a successful year as District Governor, DG Bill was elected Council Chair for MD9 for the 2015-2016 Lions year. He was also appointed as MD9 Convention Committee Treasurer for 3 years. PCC Bill is currently Club Secretary for the Altoona

Lions Club, Region Chair for 9MC, and is a Melvin Jones Fellow, a recipient of the Warren Coleman Honorary Award, and has received a President Award for Service. He also serves as a KidSight screener. PCC Bill continues to work on a number of committees at the club level. This is what motivates him to live and appreciate what our grass roots Lions do for our organization.

District 9 NC

Greetings, fellow Lions! I am very happy to be helping the district as “assistant “District Governor for the 2024-2025 Lions year. I say assistant because there will actually be two of us taking on the role as DG this year...I am lucky to have PDG Stan Johnson assisting with Governor duties in the district. He and I will be happy to help in any way clubs need and will be sharing club visit duties since we are planning that he will take the southern part of the district and I, the north. That said, any of our many clubs that would like help or a visit just needs to

reach out to one of us... doesn't matter where you are! My challenge for each club in the district is to take time to start thinking outside of our comfort zones regarding service activities in order to come up with some new ways to help our communities in addition to fundraising. I firmly believe that new and fun/cool/exciting service work is the greatest way to recruit new members. Once folks see the neat things we are doing, they will be excited to come join us on our journey “To Service and Beyond. “

District 9 NE

District Governor Chris Waring has been married to her partner in service, Mike, for 47 years, and they have 2 adult sons. Chris enjoys card and board games, displaying her competitive spirit, spending quality time with her family and pursuing her hobbies as an amateur quilter and nature photographer. Over the years, Chris has held various positions at both club and district levels, starting with the Jesup Lions Club and now serving with the Independence Lions Club. Chris is a distinguished Progressive Melvin Jones and Progressive Warren Coleman recipient and was honored with the 2020-2021 International

Leadership award, which is the third highest recognition in Lions Clubs International. Many may recognize her name from her decade-long dedication as the Iowa Lions Hearing Aid Bank Coordinator. For her term, Chris has adopted the motto “Hands and Hearts for Service,” reflecting her deep-seated belief in the Lions’ mission of serving humanity, whether it is in her local community or reaching across the globe. Her commitment to service and her enthusiasm for Lions Club ideals define her dedication to making a positive difference in the world.

District 9 SW

District Governor Gary Glockhoff is a current member of the Waukee Lons club, but previously spent 40 years in the Cedar Rapids Noon Lions Club. He served as 9EC DG in 2009-2010 with our own Jerry Farley. Gary and his partner in service, Kristin, moved to the Des Moines area to be closer to their daughter, son-in-law and two grandchildren. Gary has identified his #1 goal this year to be re-establishing the zone system in 9SW. We have a new map for the eight zones. Gary sings in the Harmony Delegation barbershop chorus, and the St Mark Lutheran Church choir in West Des Moines. He plays golf every

Thursday at the Waukee Municipal course. Dawn Goodsell has left the district in good condition as it is in a positive growth schedule and Allen Zobel is planning several new clubs. With Dawn's leadership as Council Chair and the dynamic team of governors this year, look for some interesting changes. MD9 will be charging ahead!

LIONS CLUBS OBJECTS

To create and foster a spirit of “generous consideration” among the peoples of the world through a study of problems of international relationships.

To promote the theory and practice of the principles of good government and good citizenship.

To take an active interest in the civic, commercial, social, and moral welfare of the community.

To unite the members in the bonds of friendship, good fellowship, and mutual understanding.

To provide a forum for the full and free discussion of all matters of the public interest, partisan politics, and sectarian religion alone excepted.

To encourage efficiency and promote high ethical standards in business and professions: provide that no club shall hold out on one of its object’s financial benefits to its members.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow men, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state, and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up and not destroy.
