

Lions Year 2026-2027 with 9SW Registration REFUND

BIG NEWS ON NEW MEMBER DUES!
**** FOR ONE YEAR ONLY ****

During this Lions Year from July 1, 2026 through June 30, 2027, your 9SW District will be paying the \$35 Registration fee for ALL your new members inducted into your club!

WIN - WIN

WIN # 1 - You get a new member!
WIN # 2 - New member saves \$35!

REMEMBER: LCI always collects a \$35 Registration Fee for every new member from a club when that club enters new member information into the LCI Portal.

The sequence of events goes something like this.

1. Your club recruits a new member.
2. The new member fills out a Lions application form and writes a check for their dues.
3. The club members vote on this new Lions candidate.
4. When the club votes YES, the club deposits the check and the new member will be inducted into the club.
5. An officer of this club will enter the new member's name, address, phone, email, birthday, join date, etc. into the LCI Portal. (Note: Some clubs may do this after step 3.)
6. LCI sees a "new member" entry in the Portal. On the next billing cycle, LCI will add a \$35 registration fee for each new member plus their LCI dues and that will be available on the club statement for your club Treasurer to pay.

7. Soon after the club officer enters the new member into the Portal, contact:

District 9SW Cabinet Treasurer: Dale Behrends
Phones: (641)-755-3709 (H) (641)-431-0524 (C) 641-332-2218 (W)
Email: d.behrends@gcsbank.com or behrends5@netins.net

8. When Dale learns that you have a new member entered into the portal, he will issue your club a check for \$35 from the District 9SW account.
9. You will deposit this \$35 check into your club's checking account. This check refunds you for the \$35 registration fee that will be on the new bill from LCI.
10. The key is to **a) enter your new member into the portal, b) contact Dale, c) deposit the check, and d) pay your LCI bill.** If you act quickly, the check will be in the bank before you get your bill! Pretty sweet!
